REMARKS

In response to the Office Action of March 26, 2008, Applicants' representative attempted to fax a Certificate of Transmission (1 page), Petition for a Three-Month Extension of Time (1 page), and an Amendment (9 pages) to the USPTO Central Fax Number at 571-273-8300 on September 26, 2008. It appears that only 3 pages of the 11 page transmission was received by the USPTO (i.e. the Certificate of Transmission, the Petition for a Three-Month Extension of Time, and the first page of the Amendment). Applicants' representative tried again to fax the same papers to the USPTO Central Fax Number. The second attempt appears to have resulted in only 2 pages of the 11 page transmission being received by the USPTO.

Applicants are now attempting to fax the same papers for a third time, this time from a different fax machine. Enclosed please find: (1) First Auto-Reply Facsimile Transmission (1 page), (2) Second Auto-Reply Facsimile Transmission (1 page), (3) Certificate of Transmission dated September 26, 2008 (1 page), (4) Petition for a Three-Month Extension of Time (1 page), and (5) Response to Office Action dated September 26, 2008 (9 pages). Assuming that the complete fax transmission is received by the USPTO on this third attempt, Applicants respectfully request that the papers be

considered timely filed, even though the final deadline for reply was September 26, 2008, since the Petition for a Three-Month Extension of Time and the first page of the Amendment appear to have been received on September 26, 2008 by the USPTO.

In the event that Applicants' submission is considered to be not timely filed and the application is thus held to be abandoned, Applicants will submit a Petition to Revive upon receipt of a Notice of Abandonment.

In view of the foregoing, entry of the amendments, reconsideration of this application, and allowance of the pending claims are respectfully requested.

Respectfully submitted,
